# 3 WAYS TO GET MASSIVE VALUE FROM THIS WORKBOOK

**1- PRINT this workbook** and use it during our masterclass to stay fully engaged and take notes on the actions you want to implement quickly. If you want to save some ink, don't print page one since the title design is pretty fancy ;-)

**2- Think of ONE QUESTION** you want to be answered while we are live together. If I don't answer your question during my training, you can ask it during the Q&A session.

**3- To maximize your time on this webinar**, at the end of the session decide on just one ACTION you plan to complete in the next 24 hours. Taking action right away will give you instant momentum to start seeing BIG results.
